Partner Lawrence Pearson Discusses Implications Of Pao V. Kleiner Perkins On CNBC News

March 24, 2015 • News & Press

Against the backdrop of a number of condemning studies on the unequal representation of women in venture capital firms, a gender discrimination lawsuit was filed in San Francisco County Superior Court by Ellen Pao against the venture capital firm Kleiner Perkins. The trial was followed closely by the national media.

Wigdor LLP Partner Lawrence Pearson was invited to discuss the implications of the lawsuit on CNBC News in March 2015 – at the height of the trial.
