This video celebrates 20 years of empowering victims of discrimination, harassment & sexual assault.

Founding Partner Douglas Wigdor and the Wigdor Firm celebrated 20 Years on June 13th at the Tribeca Rooftop. The 20th Anniversary Gala was attended by over 400 people which included current and past employees, previous and existing clients, friends, family and many of those who have been helped by the Firm over the years.

It was a wonderful celebration recognizing two decades of empowering victims of discrimination, harassment & sexual assault. The Firm has a strong commitment to the work that we do and looks forward to continuing that work in the future as we grow.
