LEON BLACK

August 15, 2023 • News & Press

On Monday August 14th, 2023, Leon Black filed his third retaliatory complaint against Wigdor LLP that includes a section entitled “Wigdor’s History of Questionable Ethics.”

We find it entertaining that Quinn Emanual partner Mike Carlinsky would sign such a complaint on Black’s behalf when we have a trove of emails from Carlinsky asking Wigdor for personal favors, referring close friends and family friends to Wigdor for counsel, asking for legal assistance from Wigdor, and, not surprisingly given the above, calling Wigdor the “best employment lawyer.”

Starting Wednesday August 16th, and continuing daily we will be rolling out these emails on Twitter @WigdorLaw.
