

Wigdor Files Amended Complaint Against the NCAA

November 6, 2024 • News & Press

Wigdor LLP has filed a third amended complaint in the class action lawsuit against the NCAA. This updated complaint addresses the new four-part test “to identify athletes whose play is also work,” as set forth by the 3rd Circuit’s ruling in July 2024. Based on this ruling, the amended complaint further cements that the NCAA athletic experience constitutes work for which Student Athletes deserve to be paid under federal and state laws that override the NCAA’s self-defined amateurism.
