

Wigdor Named Law360 Practice Group of the Year

January 20, 2026 • News & Press

Law360 has announced the latest crop of Practice Groups of the Year. These awards honor the legal teams behind meaningful wins and transactions that impacted the legal industry this past year, and Wigdor has been named a winner in the Employment category. We are thrilled to note that Wigdor LLP was the only plaintiffs' firm in New York to receive this honor. 2025 marks the awards' 16th year and highlights the top law firms that stood out among nearly 800 submissions. It is an honor to be recognized for all the hard work the firm has put in over the last year.
