

Douglas Wigdor Named One of New York's Most Powerful Entertainment Attorneys

May 13, 2026 • News & Press

The Hollywood Reporter has released the 2026 list of New York's Most Powerful Entertainment Attorneys. This list comprises the attorneys who helped define the business of Entertainment. Cases in the Entertainment field are often high-stakes, and The Hollywood Reporter has identified the New York-based attorneys who are defending the freedoms that make world-class entertainment possible. The attorneys on the NY Power Lawyers list were selected based on the impact of their cases, the profiles of their clients, and their strong record of success.

We are thrilled to congratulate our founding partner, Douglas H. Wigdor, on his inclusion in this list of lawyers whose work has left an indelible mark on Hollywood and the law. Read more [here](#).
