Two Female Employees In Sexual Harassment And Retaliation Claims Against Titan Capital Group

November 5, 2009 • News & Press

Wigdor LLP currently represents Danielle Pecile and Cristina Culicea in their sexual harassment and retaliation claims against their former employer Titan Capital Group and brothers Russell and Marc Abrams. The Plaintiffs allege that they were forced to endure constant intimidation, degradation and discrimination by the Abrams brothers, both during and subsequent to their employment, including being instructed to have nude photographs of Sandra Abrams, Russell's wife, developed and receiving repeated explicit threats of retaliation from Marc Abrams.
