Wigdor LLP Represents Female Victim Raped By Her Uber Driver In New Delhi

June 12, 2017 • News & Press

Wigdor LLP represents a female victim allegedly raped by her Uber driver in New Delhi, India in 2014, after an investigation uncovered that Uber-President of Business for Asia Pacific obtained the woman's medical records and later shared them with other Executives. Following the termination of the President of Business for Asia Pacific, Founding Partner Douglas Wigdor has confirmed that Wigdor LLP is 'investigating and researching all potential avenues to address this situation.' Wigdor LLP first represented the woman in a civil lawsuit against Uber following the 2014 alleged sexual assault.
